

Final Retreat of the SFB 635

May 11-12, 2015

Maria in der Aue, Wermelskirchen

www.sfb635.uni-koeln.de

Funded by the DFG 2003 - 2015

Location

Departure by minibus from the Institute for Genetics on Monday at 8:15 a.m.

Tagungshotel Maria in der Aue

In der Aue 1

42929 Wermelskirchen

phone: 02193 / 505-0

www.tagungen-aue.de

Room Köln I + II, ground floor

Monday, May 11, 2015

09:15 - 09:30 Welcome address

1st Session - chair: Karsten Niefind

09:30 - 10:00 **Gerrit Praefcke**
Membrane Interactions of Prothrombin

10:00 - 10:30 **Jane Parker**
Structural insights to intracellular pathogen recognition and signaling in plant immunity

10:30 - 11:00 **Jörg Höhfeld**
Defining regulatory systems at the interface of protein folding and protein degradation

11:00 - 11:30 **Coffee break**

2nd Session - chair: Jens Brüning

11:30 - 12:00 **Jürgen Dohmen**
Protein modification by polymeric SUMO chains, their regulation and function as degradation signals

12:00 - 12:30 **Niels Gehring**
Molecular insights into mRNA quality control

12:30 - 13:30 **Lunch**

13:30 **Start and meeting point for a trip to Altenberg in the courtyard**

A walk takes ~ 1 hour; in case of rain or if you prefer to ride rather than walk, you also could use the minibus:

13:45 Departure minibus from Maria in der Aue to Altenberg (ten-minutes ride)

15:00 - 15:45 Guided tour (English) through the Altenberger Dom

16:30 Departure minibus from Altenberg, back to Maria in der Aue

17:00 - 19:00 **Poster session/Best poster Award - with coffee and cookies**

19:00 - 20:00 Dinner
Presentation of the Best Poster Award

20:00 till open end Bowling

Tuesday, May 12, 2015

07:30 – 09:00 Breakfast

09:15 Departure by minibus
